

# Leaders in Learning

Landex Leaders in Learning is training specifically designed for those in middle management.

The sessions will be designed to meet the needs of individual organisations and can incorporate those new to leadership and those who are aspiring to senior leadership.

The training will explore the challenges presented to managers in the FE sector. It will provide participants with techniques, strategies and the opportunity to learn about:

- Management styles
- Leadership theory into practice
- Building teams
- Difficult conversations
- Meaningful self-assessment
- Developing a culture of innovation
